

# SiCam Systems Caliper Wireless Lumber Size Control

## Benefits

- Increase Grade Outturn
- 
- Increase fiber Recovery
- 
- Increase Production
- 
- Greater Profitability
- 
- Reduce Machine Downtime
- 
- Informative Reporting
- 
- Stronger Teamwork
- 
- Sustainable Competitive Advantage

## Professional Services

- Project
- 
- Workshops
- 
- Coaching
- 
- Training
- 
- Technology

## Upgrades

- Migrate Legacy SiCam
- 
- Other Lumber Size Systems
- 
- Special Offers & Prices

We upgraded to SiCam's new wireless system and all I can say is "WOW". This upgrade is truly a big advantage. It's faster to collect and display sizes. There are less parts so less to go wrong. Wireless real-time data transfer from my calipers goes directly to the computer, no more handheld downloads. SiCam's reputation for exceptional customer service is exactly what I got. They even entered my set-up data. The best part is a new laptop with the system. *Sawmill QC Supervisor*

SiCam Caliper delivers proven accuracy, statistical quality control (SQC) techniques and the reliability of wireless technology to enhance the impact of lumber size control.

Daily, shift-by-shift, increase the efficiency of the process. Ensure accurate data is collected for analysis. Advance the credibility of the QC function. Accurate detail concerning manufacturing performance, tools to control variation, reduce target sizes and increase fiber recovery translates directly to bottom line financial impacts.

Features of the system include:

- Designed by sawmillers for sawmillers
- Flick between imperial and metric
- Small, durable wireless interface
- Download directly to SiCam RealTime
- Laptop computer with each system
- Simple software & powerful reports
- Export data to MS Excel and Access
- Free 24 hour, 7 day/week support
- Site training for the manufacturing team
- Team building to gain team buy-in
- Coaching for QC, maintenance & sawfilers
- Leadership training to create champions

*Technology Advantage  
Direct Wireless to Laptop*

*Equipment Advantage  
Laptop Computer Included*

*Maintenance Advantage  
No Handheld Computer*

*Software Advantage  
By Sawmillers for Sawmillers*

*Service Advantage  
Data Entry & Site Training*

*Support Advantage  
No Annual Fee, 24/7 Free*

*Price Advantage  
More Value Yet Competitive*

*SiCam Advantage  
We Always Back Our Products*
